

Poesis Eventi

Category: Wedding planner

business description: With the Poesis® Ritual, we will give you an unforgettable experience: we will write your poem through your experiences, the moments of life, and the moments that define the deepest essence of a couple. We are firmly convinced that every human being possesses a poetry, sometimes hidden, sometimes inhibited, sometimes manifest. We will express it through a ritual that touches the most intimate, sincere, and personal chords. Even a "simple" civil ceremony is FOREVER.

Poesis, together with flower designers, creates every type of floral scenography: from the church decorations for the religious ceremony to the coordinated floral image for the entire wedding (centerpieces, bouquets, cake cutting, seating plan, etc.). Particular attention is paid to the bouquet, crafted with care and meticulousness.

Poesis® has worked closely with Chefs, Maitres, and F&B Managers for over fifteen years. We understand the timing of the kitchen and the organization of the room, and we know that a wedding is a unique moment that must be remembered. We coordinate all the professionals involved; we are the sole point of contact and director of the event, ensuring we always make the right decisions in line with the established mood. Poesis guarantees an impeccable, high-quality product: stylistic originality, refined gourmet menu presentation, class and distinction in the setting and decorations. Every detail is taken care of to make the reception absolutely personal and unforgettable.

We design the best mise en scène for each event.
